

Run Deep Analyze

Purpose:

(New) Parses segments down to the individual sentences.

The screenshot shows the Atebion Document Analyzer interface. At the top, the title bar reads "Atebion, LLC Document Analyzer" with a user icon and version information: "Document Analyzer, Copyright © 2015 -- Release 1.7.15.2 -- Expires in 271 Days." Below the title bar is a progress bar with five steps: "Create a Project", "Select a Document", "Run Analysis", "Analyze the Results", and "Run Deep Analysis" (which is highlighted in blue). To the right of the progress bar, it says "Proj: Demo" and "Doc: T-ADC(X) Ship RFP Section C".

The main content area is titled "Deep Analyze" and contains the following text:

This Deep Analyzer divides parsed segments into sentences. After the Parser completes its process, the results are found at the Deep Analysis Results panel. In the Deep Analysis Results you can filter based on keyword deselection and export the results.

LEGAL DISCLAIMER: While we strive to ensure the accuracy of our parser engines and our software, we cannot guarantee that the Document Analyzer captured every sentence correctly, there may be inadvertent technical/document issues. This tool does not replace the human side, please read the entire document.

ALSO WE EXPRESSLY DISCLAIMS ALL LIABILITY FOR THE USE OF THE DOCUMENT ANALYZER OR INTERPRETATION OF ANALYSIS RESULTS AND OTHER DATA/INFORMATION.

At the bottom of the interface, there is a navigation bar with five icons: "Close" (X), "Keywords" (key), "Tools" (wrench), "Previous" (left arrow), and "Analyze" (play button). A red arrow points from a grey circle containing the number "1" to the "Analyze" button.

1. Analyze button – Click to run Deep Analysis.
